

Tim Hortons Foundation Camps help youth from underserved communities achieve their full potential through multi-year, overnight camp experiences. Whether at camp or back home in their communities between visits—our youth work to build social, emotional, leadership and innovation skills and behaviours like volunteerism and motivation to learn so they become civically and academically engaged, and successfully transition to adulthood.

At Tims Camps, we are catalysts for good - helping our youth participants and teammates be the best they can be, developing personal and career growth. We empower young people with skills to open doors to their future. That is our North Star and, together, we help shape leaders that build stronger communities.
