YFC | **Youth Unlimited™**
WINNIPEG

Cedarwood is a unique ministry opportunity to share the gospel with pre-teens and teenagers. We invite our campers to have a summer camp experience packed with fun, friendships and good food. Summer staff and volunteers are an essential part of that experience. They are the ones who will build relationships with campers and express God's love for them through word and deed. Our staff and volunteers also join an authentic Christian community that values the Bible, accountability, heartfelt laughter and genuine love. If you love Jesus and have a heart for youth ministry we have a place for you at Cedarwood this summer.
