*Budget presented for information purposes only. No Questions.*

**9. New Business**

Information item presented by Jared Clarke on behalf of the Nominations Committee; COVID and accreditation. With new camps wanting to join, what will that look like. Asked for flexibility in the process looking at new camps and for our accredited camps regular visits. Evaluating at this time, will let camps know more when we know. Not lowering standards, just know that our normal process may not be possible. Flexibility on the process not on the standards themselves. Will let camps know more as summer gets closer. Safety at a high level. But with the uncertainty we are still trying to figure out what that will look like as we know more from Government as to what will be allowed.

**MOTION OF APPRECIATION TO THE OUTGOING BOARD MEMBERS, WAYNE EISBRENNER AND AMBER ALLEN, FOR ALL OF THEIR HARD WORK.**

**MSC2021-07 Jared Clarke / 2nd Audrey Hicks**

**10. MOTION TO ADJOURN AGM.**

**MSC2021-08 Jared Clarke / 2<sup>nd</sup> Andrew Sevigny**

## **PRESIDENT'S REPORT**

To the members of the MCA:

It is a pleasure to serve the membership of the MCA in the position of President. I have enjoyed having the opportunity to get to know the fantastic people involved in the camping movement in our region. As you know our industry is ever evolving and so our association must evolve with the changing times. I am excited about the many new things that are happening through the MCA office and firmly believe we have been blessed with a fantastic spokesperson for our industry in our Executive Director Kim Scherger. I so appreciate her hard work and dedication to advocate on behalf of camps, specifically with the provincial government. I believe that our best days are in front of us and that our staff team represents our industry very well.

I would like to take a minute to thank all of the members of the board who give of their time and resources to serve the membership. They do a fantastic job and serve with the best interests of the association in mind I would like to acknowledge the members of the board who are completing their terms with the MCA and will not be returning. They have served faithfully and I would encourage the membership in the coming days to reach out to them and thank them personally for their years of service. As the president of the MCA I also have the privilege of serving on the board of the Canadian Camping Association. The CCA has been focusing on being an advocate to the government on behalf of the camps across the country specifically focused on including camps in Covid relief programs. CCA has retained the services of a lobbying group to engage with the Federal Government. Once again it has been a privilege to serve our members in this role and I look forward to the years to come as the camping community continues to grow to meet the needs of the youth in this province.

Sincerely,

Jared Clarke

## EXECUTIVE DIRECTOR'S REPORT

In the song *Photograph* by Nickelback, the lead singer Chad Kroeger sings:

"I miss that town, I miss the faces  
You can't erase, you can't replace it  
I miss it now, I can't believe it  
So hard to stay, too hard to leave it"

He's singing about looking at photographs and the memories they bring. As I reflect on this past year, I think of the snapshots and zoom memories and change those lyrics a bit to:

"I miss our camps, I miss the faces  
You can't erase, you can't replace it  
I miss it now, I can't believe it  
We couldn't go, but don't wanna leave it"

Another year for the history books at MCA. Our year started with big plans creating an Opening Camp Safely Plan with two doctors and waiting to see if opening camp would actually happen. We were delighted to have a meeting with Dr Roussin, set up by MLA Andrew Micklefield, near the end of March 2021, where the good doctor gave our opening safely plan the stamp of approval. He was almost ready to give us the green light to say "Yes! You can have overnight camps this summer" but wanted to wait a few weeks as this new strain of the virus, they were calling it the Delta variant, was just starting to appear. He wanted to see what it was going to do. As we know it didn't do anything good, so we all were locked down again and in a waiting pattern.

During that time many camps lost a good number of their potential or hired staff as those young people needed to find jobs for the spring & summer. Camp's leaders were disappearing. On June 24, it was announced that day camps could happen so camps were in a flurry of putting plans into place and hiring as many staff as they could in the week or two before their day programs were going to start up. Again, another summer to make the best of, to use staff – many funded through Green Team grants from the province or federally by Canada Summer Jobs - to run programs or work on fix ups and maintenance items at camps. Not what camps, or anyone wanted *again*, for a second summer.

Surprisingly, early August, we were suddenly given the go-ahead to run overnight camps with limited cohorts, just a few days from after the announcement. A couple camps decided they could get it organized for a small number of campers and they were able to experience the joy and wonder of overnight camps.

As we moved into the Fall, camps still faced issues with small cohort numbers and vaccines and how things were not working in camps' favour. Then omicron ended off the year.

Frustration was a common thread for many for good reason. The MCA felt your anguish and kept lobbying and advocating – for the past two years. That and trying to surround our camps directors/staff in support and conversation, continuing to build our relationships. We have had some great people lobbying alongside us – MLA Andrew Micklefield, Jocelyn McMullen our rep for Municipal Relations with the Province; many thanks to them for all they have done for us. Pleasantly surprisingly, to end off our year, after many letters being written and meetings and conversations with government officials, I got the letter I was hoping would eventually come: the MCA was getting sector specific funding from the Manitoba government to the tune of \$750,000. I had to keep it under wraps for a few months while the details were discussed/finalized which was so difficult knowing camps were hurting and needed the funding. Finally, being able to announce this in early 2022 was a relief.

I am thankful to all the donors of the Sunshine Fund – the individuals, businesses, foundations, grantors, funders for keeping our fund alive and sending kids to camp. We sent 141 Manitoba kids to day camps in the summer of 2021; much lower than our pre-pandemic years, but nonetheless, we helped to send kids to camp in the midst of a pandemic. That is wonderful.

I want to thank my staff – Dana, Rick, and Sydney for all their work over the year. They all helped keep our association together: Dana writing grants and getting some great new ones to keep us going/moving forward and connecting with our incredible donors; Rick communicating whatever was needed and finding some good news to share in the dark days of the year; Sydney being one of the voices to our parents and camps and donors, helping to organize, reassure and thank them. I also want to thank the board for their dedication and support over this past year; zooming, emailing, calling, and staying connected with me/ the MCA.

Lastly, thank you camps for helping to make the MCA what it is as we continue to grow stronger together. Thank you for being the Manitoba Camping Association.

Submitted with a smile 😊

Kim Scherger
