

Camp Nurse Volunteer

About Us

Camp Quality Manitoba is a volunteer driven non-profit charitable organization that provides free uplifting camp experiences for children affected by cancer and blood disorders and their families. We facilitate a 1-week overnight camp program, hosted at Variety Camp Brereton in Whiteshell Provincial Park, Manitoba. Camp Quality was brought to Canada in 1988, initiated by a group of dedicated volunteers in Southern Ontario. Our overnight camp programs serve campers between the ages of 7 - 17. Currently, all of our locations are seeking enthusiastic and motivated volunteers for our summer camp program.

Overnight Summer Camp (August 12th - August 18th, 2023)

Our overnight camp program give kids affected by cancer a chance to just be kids! What's unique about Camp Quality? Our campers are matched 1:1 with a volunteer Companion (Camp Counsellor) who is there to support them throughout the week. While we do everything in groups at camp for safety, this 1:1 matching provides both campers and caregivers with a level of assurance that their child is well taken care of. You can expect many classic camp activities, like swimming, sports and games, canoeing, arts and crafts and more! Our year-round Camp Organizing Committee volunteers plan the schedule and activities for the week.

Description of Role

As a Camp Nurse, you'll be reporting to the Medical Coordinator and will be responsible for providing high quality nursing and care to our campers and volunteers. As part of the Health Care Team, Camp Nurses support by providing first aid, administering medications and treatments as required; all while maintaining accurate documentation standards. They will be required to uphold Camp Quality's policies, procedures and guidelines including COVID-19 guidelines. Camp Nurses will only practice within their scope deemed by the College of Nurses in Manitoba.

Commitment

Confirmed volunteers are required to attend a single day of mandatory training before camp begins. Volunteers must be on-site for the camp program for the duration of the week.

Camp Nurse Volunteer

2023 Covid-19 Update

At this time we encourage all participants to apply to in-person camp. Camp Quality's Medical Advisory Committee is currently evaluating our COVID-19 protocols for the 2023 season. Camp Quality will communicate our COVID-19 requirements by March 1, 2023.. We appreciate your understanding as we work to offer a safe experience for all campers and volunteers.

Qualifications & Requirements

New Volunteer Qualifications:

- Registered Nurse
- Current CPR/First Aid
- Current Experience working with children or youth is an asset
- At least 18 years of age
- Able to provide 3 references (New Volunteers).
- Available for an interview (New Volunteers).

Accepted Volunteer Requirements:

- Able to provide a clear and current Criminal Record Check with Vulnerable Sector Screening.
- Provide proof of immunization status.
- Mandatory attendance and completion of Volunteer Training

Additional Medical Requirements for in-person programs:

All Volunteers must have the following full immunizations as per provincial vaccination schedule, or are beginning immunizations as part of a catch-up schedule:
